Informational Meeting Planned for U.S. 27 Project in Fort Wayne

Meeting begins at 6 p.m. at Shawnee Branch Library

FORT WAYNE – The Indiana Department of Transportation will hold an informational meeting for the proposed U.S. 27 resurface project between Paulding Road to Edgewood Drive in the City of Fort Wayne.

The meeting will begin at 6 p.m. and the doors will open at 5:30 p.m. on Wednesday, Feb. 1, at the Shawnee Branch Library, 5600 Noll Ave., Fort Wayne, Indiana.

The purpose of the meeting is to offer all interested community members information on the proposed resurface project on U.S. 27, which will improve the driving surface for motorists. The future project will also include the upgrade of existing facilities to meet current standards of the Americans with Disabilities Act. Additional work on the project will include traffic signal modernization and the intersection modification of the Paulding Road/Avondale Drive intersection.
